

Quest Adult Day Program

Five Points Center for Active Adults

September Newsletter 2017

Welcome to Quest!

Quest is an adult day program for individuals with disabilities, who are interested in day-time recreation, healthy living and community engagement.

Adults ages 22 and up, who are able to work within a group setting, manage personal care, and follow basic rules of safety and interaction are invited to join Quest. Staff facilitation and supervision is provided on a 1 staff to 6 participant ratio.

Registration includes the month of Tuesdays, and we hope to see all participants each of the weeks in September!

What do participants need for the Quest program?

- Lunch for the day: we may not have access to a refrigerator or microwave
- Personal items
- Reusable water bottle is recommended

Weekly Activities

September 2017

With the historic eclipse taking place just a few weeks ago, during the month of September, we'll focus on learning about Space and our Solar System!

Tuesday, September 5

- We will participate in games and activities that focus on the planets that make up our Solar System. We will learn about each planet over the course of the month and create a mobile of the entire system.

Tuesday, September 12

- We will learn all about stars and constellations. We will focus on a few that are easy to spot in the night sky.

Tuesday, September 19

- We will take a trip to the Morehead Planetarium. Please make sure you arrive at Five Points by 9:20am for an on time departure. We will bring our lunch and eat at the Planetarium.

Tuesday, September 26

- We will make multiple projects focusing on the moon! We will also finish up our mobiles so they can be taken home.

Don't forget to register in advance for upcoming months in 2017 at both our Five Points and Millbrook Exchange locations! Registration closes **2 weeks** prior to the start of the month.
